

Chidinma Okwuoha

Frontend Developer

I am a positive, enthusiastic and competent individual who, over the years, has built up a diverse range of skills, qualities and attributes that guarantee I will perform highly in this role. I have extensive experience working both alone and as part of a team on several occasions, I've carried out challenging projects that require outstanding creative and technical capabilities and the ability to ensure all work is optimized across a wide range of platforms. I take my work very serious and this means I always ensure my skills are kept up to date within this rapidly changing industry. I will fit into your team quickly, and the work I carry out will be consistent to a first-class standard.
